

FIFA World Cup Analysis

UMAV Project 1

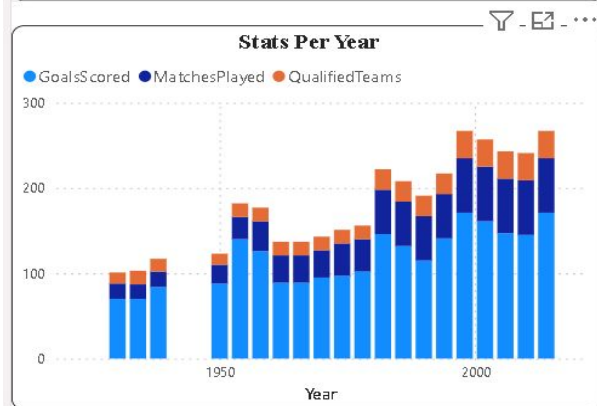

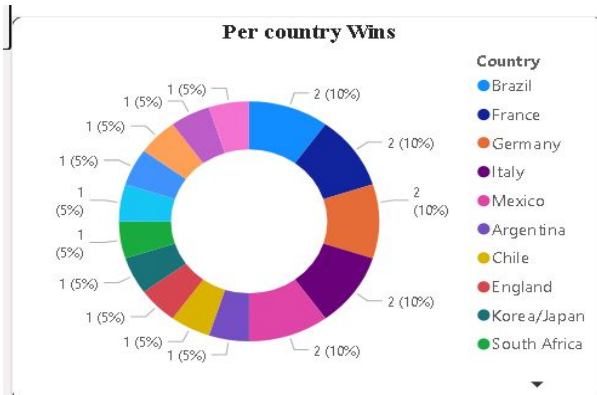

Introduction

- Welcome to our comprehensive analysis of the FIFA World Cup
- The FIFA World Cup 2022 was not just a football tournament; it was a historic event that brought together the global community in unprecedented ways
- Explore how high pressing, counter-pressing, and effective use of wide play influenced the outcomes of key matches
- Review the record-breaking numbers, including the highest total goals scored in a World Cup and unprecedented viewership and attendance figures

Details About The Dataset
